Dear Patient(s)

This letter is addressed to all patients living at this address registered with Rashmi Surgery

I have previously written to you to inform you that following the retirement of Dr. Bisarya at Rashmi Surgery, Old Colwyn on 31st January 2017, the Health Board would be managing the Surgery for 6 months until the 31st July 2017. I am now writing to you to inform you that this date has changed.

The Health Board has come to an agreement with neighbouring practices that all patients registered with Rashmi Surgery will now be allocated to other local GP practices by the 10th May 2017 when Rashmi Surgery will close. In order that we do not place too much additional pressure on the receiving surgeries all at once, patients will be moved in stages according to the ward in which they live. Patient's registrations will therefore move at different times over a period of 5 weeks on or before the 11th May.

This means that you will be allocated to **Cadwgan Surgery** on the **11th May 2017**. The surgery details are as follows:

Cadwgan Surgery
11 Bodelwyddan Avenue
Old Colwyn
LL29 9NP
Tel: 01492 515410

Your patient records will be automatically transferred to your allocated surgery on the above date and **you do not need to take any action**. If you do not want to be registered with this practice you may choose to re-register with any other practice as long as you live within their boundary area.

Please be aware that, if you so wish, you are eligible to receive a 'newly registered patient' consultation with your new practice once you are registered.

Please note that services continue to be available for you at Rashmi Surgery from now until the date of your transfer to the allocated surgery.
