

**During the Coronavirus pandemic, to protect the health of our patients, the surgery will accept telephone requests for repeat medication.**

**We ask that if you telephone the surgery for your medication, that you do so between the hours of 2.00pm and 4.00pm.**

**We also ask that you have the list of medications you wish to order ready before phoning the surgery so that your telephone call can be dealt with efficiently by the reception staff.**

**Thank you**
